HI THERE  CLUBBERS!

THE KINGDOM OF MOROCCO IS WHERE AFRICAN, ARAB & EUROPEAN CULTURES MEET!

After researching many of the other companies in the marketplace, it appeared that they all followed the same or similar itinerary. So therefore, we designed our own programme to not be the same-same cookie cutter itinerary. What we have decided on is what we think will suit you, our Clubbers the best. After dissecting all the details, we realised that Morocco has something for everyone.

When it came to comparing the accommodation and itineraries, the very budget backpackers had the cheap and basic accommodation with very little included up front. The discerning bespoke traveller had the over-the-top luxury accommodation often well away from the action and with very short durations. Then everything else in the middle was super hard to dissect and find their value for money. During our research we purposely stayed at many of the Hotels and Riads that those companies used, and we are sad to say, we were less than impressed! Often, they were overstated from a star rating, unclean, in a bad location and not great value for money. Our travel agent backgrounds were put to the test and eventually we did find some great properties that in true G&T style, are in great locations, are great value for money and well worth the few extra bucks as we know they will add to your overall Moroccan experience!

Morocco is such a huge country with a truly diverse countryside and is hard to appreciate in just 14-16 days. The diversity is spread from North to South and East to West and everywhere in-between. She has the alluring Sahara Desert, the wild Atlantic coast, the spectacular Atlas Mountains, (mid, high, and low), the 'movie set' historical cities and of course the romantic traditional villages that follow the ancient caravan trade routes. For this reason, we have made sure that we have taken the time to include the 'True Morocco' and soak up all the experiences that are unique to this beautiful country.

We have designed a premium 21-day adventure with a criss-cross directional flow, both 'zigging and zagging' to make sure that we don't miss any highlights, especially the best of the spectacular UNESCO World Heritage sites (of which we will see 8 of the 9 in total in Morocco!).

Importantly, G&T have concentrated on including more 2-night stops and even one 3-night stop. This allows for some relaxed morning starts and some free afternoons. In our opinion, many of the other operators are squeezing too much into a much shorter itinerary and missing some of the most interesting sites altogether. With the pace of our planned itinerary, we will have the time to thoroughly immerse ourselves and enjoy our stopovers (not just sleep & drive, sleep & drive). We have included enough time to enjoy the many quaint villages, exciting cities, and traditional communities that we visit and not just blow through. Not only will we avoid the super early starts but will have time to enjoy our breakfast leisurely in gorgeous surroundings. We have also minimised the need for too many super long driving days.

The very 'Essence of Morocco' will be evident throughout our chosen nightly sleepovers! Our 20 nights will be spread amongst some Beautiful Ornate Riads (small family-owned traditional merchant houses) Exquisite Stately Residences, superbly located Luxury Hotels, Authentic Berber style Guest houses, Palaces and even an exquisite 5-star Winery experience and of course a magical 2-night stop in a Luxury Sahara Desert Camp! All other companies have 1-night ONLY in the desert which means arriving late and departing early and some are even located right on the fringe of the surrounding towns. Not even in the desert! This is not the desert experience we were looking for!

G&T are very confident that this programme is not just great value, but also has the wow factor that our Clubbers have now come to expect and is certainly unique. Below is our fabulous Premium 21-day 'MOROCCO UNWRAPPED' itinerary in detail for you to read through before grabbing your spot.

Casablanca – Rabat – Chefchaouen – Volubilis – Fes – Meknes – Marrakech – Ouirgane – Ait Ben Haddou – Ouarzazate – Zagora – Chigaga – Taroudant – Essaouira – Safi - Oualidia – El Jadida – Casablanca.

NB: BLACK denotes 8 of the 9 Moroccan UNESCO World Heritage sites visited on this fantastic tour!

HOW WE DIFFER

The following are some of the considerations we made, while developing this Moroccan programme.

1. G&T always develop an **exciting itinerary** with natural flow to maximise our time and experience. We choose our tour dates with regard for the best possible weather and less crowds. Importance for Morocco was given to the appreciation of the **UNESCO World Heritage Sites**. We will visit 8 of the 9 national sites.
2. G&T choose **accommodation** with the concept of **adding to your overall Moroccan experience**. Several multi night stops have been added to ensure that your holiday is much more enjoyable. Our choices were made with consideration of location and proximity to the action, spectacular views, style, feel and facilities, not just a star-rating. Some ground operators like to run with a consistent star rating which misses the opportunity to experience the local heritage style altogether.
3. G&T always make choices that allow easy access to **excellent food**. Whether it be our daily breakfast or the proximity to great restaurants and cafes nearby. We also like to check that the obvious dietary requirements can be catered for. Cooking classes are always a fun and fantastic way to experience and learn about the local cuisines.
4. **G&T always host every Club Tour**. This gives you something no one else can match. We will be with you the entire time, assisting with your needs and looking after you personally. On top of that we will always employ our own National Tour Guides along with localised city guides to better understand the local areas.
5. G&T most importantly make sure that the product is **'Great Value'**. Not necessarily the cheapest but well worth the few extra dollars to ensure an amazing experience!
6. G&T always design a tour program with the Clubbers in mind. The concept of the Club remains the same and that is, our Club is **invite only and not open to the general public**. Clubbers are always encouraged to bring along their immediate family and or friends as we feel that they too will be a good fit for the G&T Travel Club.

Day 2

SIGHTSEEING IN CASABLANCA AND RABAT THEN ONTO CHEFCHAOUEN

Casablanca is the economic capital of Morocco and its largest city. After a scrumptious breakfast we will head to the far end of **'The Corniche' and start with a visit to the famous Hassan II Mosque.** It is the largest functioning mosque in Africa and makes a grand statement as it stands tall with its intricate décor and soaring 210m high minaret. After our guided tour of the Mosque, we will head up the coast to **Rabat, the true capital of Morocco and one of the country's 4 Imperial Cities.**

We'll visit the **historic Kasbah of the Oudayas. One of the UNESCO World Heritage sites.** This beautiful Kasbah is located on a hill overlooking the Atlantic Ocean and at the mouth of the Bou Regreg River.

It was built in the twelfth century and originally this Kasbah was a Ribat (a military defence). Later the Kasbah gave its name to the whole city. Kasbah Oudayas is a little city within a city and in 2012 it was added to the UNESCO World Heritage listings. Next, we will see the **Mohammed V Mausoleum**, which is home to the tombs of the current king's father and grandfather. Opposite is the **Hassan Tower**, which is a minaret built way back in 1195.

After lunch we will make our way inland and north towards the Rif Mountains and the most photographed village in Morocco. **Chefchaouen, known as the 'Little Blue City', one of our favourite cities in the country.** It is delightful and you will love it too! Here we will have 2 nights in a gorgeous Riad nestled in the heart of the medina which will allow us plenty of time to enjoy the twisty narrow lanes and the charming quirkiness that Chef has to offer.

Meals Included: Breakfast

Overnight: Lina Ryad & Spa (or similar)

Style: Boutique Moroccan Design Riad

Day 3 SIGHTSEEING IN CHEFCHAOUEN 'THE BLUE PEARL OF MOROCCO'

This morning you may wish to go for an early stroll before breakfast, armed with your cameras of course! **After breakfast we will start our village tour with our guide.** We will find out why the locals all paint their homes blue and see why it is also affectionately named 'The Blue Pearl'.

The Kasbah of Chefchaouen belongs to the early 18th century and was built by the legendary ruler Moulay Ismail (1645 – 1727). **This is a walking tour so we will start in the Plaza Uta el-Hammam**, which is the Andalusian style cobbled main square and where the striking 15th century Grand Mosque stands. Continuing around the sights we will make our way back to the square where our guide will suggest some cafes and restaurants for a great local lunch option. He will also make sure that you can find your way home as the **balance of the day is at your leisure.**

Perhaps poking around the tiny colourful shops, photography, chatting to the locals or find a cute coffee shop to relax. You may want to head to one of the many rooftops for a refreshing drink and an awesome view with the rhythm of 'Chef' below. You could head up the hill close by for a sunset to remember. **Chefchaouen can be as busy or as laid back as you want.**

Meals Included: Breakfast

Overnight: Lina Ryad & Spa (or similar)

Style: Boutique Moroccan Design Riad

Day 4 SIGHTSEEING AT VOLUBILIS ROMAN RUINS THEN ONTO FES

NB: We visit the ruins in the morning, but the sun can still be quite hot so bring a 'brolly'.

This morning we will have a relaxed breakfast before heading off to the **UNESCO World Heritage site of Volubilis.** This well preserved and partly excavated Berber and Roman ancient city is known to be one of the largest and most important archaeological sites in Morocco. Volubilis has an amazing history to tell, and we will learn as we walk around the site just how life was back in the 3rd century BC. **We can still clearly see today some of the structures that depict life back when the city was under Roman rule.**

Interestingly under the pressure of the surrounding Berber tribes the Romans did eventually leave the city and in turn several other peoples inhabited Volubilis including not only the Berber but also the Greek, the Jewish and the Syrians. These ruins are truly spectacular! After this historic visual feast, **we will continue onto Fes.**

Meals Included: Breakfast

Overnight: Riad Laaroussa (or similar)

Style: Elegant 17th Century Palace

Day 5 SIGHTSEEING IN FES – 'THE SPIRITUAL CAPITAL OF MOROCCO'

Mystical, magical Fes! A remarkable city and another UNESCO World Heritage site and home to the oldest and largest car free medina in North Africa! **The city was once the capital of Morocco and is still widely viewed as the cultural epicentre today.** Breakfast this morning will be a little earlier as there is so much to see and do in Fes.

Our guided city tour will begin with a photographic opportunity at the entrance to the largest Royal Palace in Morocco. **Palais Royal is the official residence of His Majesty King Mohammed VI of Morocco and his family.** The gigantic elaborate gates and doors are quintessential 'Morocco'. Next, we will drive to the top of the hill for a great **panoramic view of Fes El Bali** below. This ancient walled medina has narrow, vibrant colourful streets and ornate entryways like the **Bab Bou Jeloud 'Blue Gate'**. It is where everyday life is lived out on the street. The towering **R'cif Mosque** overlooks a lively market square where varied souk vendors specialize in perfumes, spices, lamps, and leather. Fes medina literally oozes with history, colour and charm on every corner and then there is the food. Dining choices range from street kebabs to stylish gourmet restaurants with many grazing opportunities along the way.

Visit the famous **University of Al-Karaouine** built originally as a Mosque by Fatima Al Fihria in 857. Not long after it became the world's first university and a foremost centre of learning at the beginning of the second millennium. The university has become one of the leading spiritual and educational centres of the current Muslim world. **We may have the chance to visit a Coranic school** before completing the city tour with the **leather Souq and the oldest Leather Tannery in the world.** The tannery dates back at least nine centuries.

Meals Included: Breakfast and Dinner at a local Restaurant.

Overnight: Riad Laaroussa (or similar)

Style: Elegant 17th Century Palace

Day 6 FES COOKING CLASS THEN ONTO MEKNES

Breakfast this morning should be light as we are heading out to enjoy one of **Morocco's best culinary adventures.** This experience will introduce you to a unique cuisine well-loved around the world and will allow you to learn how to prepare some of the most delicious local dishes. **Our fun cooking class** is a great way to experience firsthand some of the secrets and traditions that have been passed on for generations. The best part is we enjoy our creation for lunch. YUM!! After lunch we take the short drive to Meknes. **The afternoon is at leisure at our accommodation, a stunning winery.** You may wish to take advantage of a Wine Tasting and Cellar visit or just relax!

Meals Included: Breakfast and Lunch

Overnight: Château Roslane Boutique Hôtel & Spa
(or similar)

Style: First class Winery Estate

Day 7 SIGHTSEEING MEKNES 'THE MOROCCAN VERSAILLES'

After a fantastic breakfast overlooking the vineyard, we will head off to discover one of the oldest cities in the kingdom for our morning tour. **Meknes was once the capital of Morocco** under the reign of Moulay Ismail (1672–1727) and now **UNESCO World Heritage listed**. First stop will be at the massive **Bab El Mansour gate**, the grandest of all the Imperial Moroccan gateways. Next, we will head out to **Hri Souani**, which is a complex of three different buildings all built as granaries and stables. This amazing site has been used as a scene for many films, the most famous of which is probably 'The Last Temptation of Christ' in 1988 by Martin Scorsese.

After our tour we will take a rest and enjoy a **delicious lunch in a local restaurant**. The rest of the **afternoon is at leisure** to wander at your own pace in one of our favourite medinas. When ready we will head back to our vineyard for a relaxed evening. You may wish to indulge in an **optional Gastronomical Dinner** with some fine wine. Or you may wish to disappear and **lap up some pampering** and well-being at the magnificent Hammam and Spa.

Meals Included: Breakfast and Lunch

Overnight: Château Roslane Boutique Hôtel & Spa
(or similar)

Style: First class Winery Estate

Day 8 MEKNES – IFRANE – BENI MELLAL – MARRAKECH

After breakfast we transfer to Marrakech. Today's interesting journey takes us through the **Middle Atlas Mountains with a stopover in Ifrane**. Ifrane is famous for its alpine climate and European style houses. The cooler climate due to the 1665m in elevation attracts many Moroccans in summer. They head to the hills to relax in what feels like a little part of Switzerland! Along the way we may be lucky to see some of the threatened **Barbary Macaque monkeys**. Then we continue onto Beni Mellal, which is an important economic centre for Morocco in the areas of textile manufacturing as well as agriculture. The countryside is forever changing, and we will stop along the way for a **local lunch before arriving in Marrakech** late afternoon.

Meals Included: Breakfast

Overnight: Longue Vie Hotel (or similar)

Style: Contemporary Hotel

Day 9

SIGHTSEEING IN MARRAKECH THE 'PARIS OF THE SAHARA'

After a hearty breakfast we'll join our coach and enjoy a morning guided city tour of Marrakech including the famous **Majorelle Gardens and Yves Saint Laurent Museum and the Koutoubia Mosque**, which is an old monument built under the reign of the Almoravid Caliph Yaqub al-Mansur (1184 to 1199). This monument inspired other buildings such as the Giralda in Seville in Spain and the Hassan Tower in Rabat. **The Saadian tombs**, which is a site that dates to the time of the sultan Ahmad al-Mansur (1578-1603) were discovered in 1917 and were restored by the Beaux-arts service. While out and about we will have **lunch at a local restaurant** before heading back to the Hotel to relax.

Then in the afternoon when it's cooler we will join a **walking tour of the world famous Jemaa El-Fna Square**. The Square is better later in the day as the storytellers, snake charmers, peddlers of traditional medicines all set up for the night. The last stop will be the **bustling souks in the old medina** (a photographer's delight). Here you can find almost anything you like for your dinner. Finding somewhere to eat from a rooftop overlooking the energetic square below is the ticket! **You will see for yourself why it also is a UNESCO World Heritage site.**

Meals Included: Breakfast

Overnight: Longue Vie Hotel (or similar)

Style: Contemporary Hotel

Day 10

MARRAKECH – OUIRGANE

A relaxed Breakfast this morning before our **short drive to Ourigane**. On the way we will view several **traditional villages** within the valley. We can admire the vast countryside covered with green oaks, cypresses, and other vegetation typical of the High Atlas.

We then take a small but dramatic mountain-pass where we travel through the **valleys and canyons of the Oued N'Fis**. From this mountain pass there are magnificent views of the surrounding area so we will stop off for photographic opportunities.

Today we experience **lunch with a local Moroccan family**. An excellent way to immerse yourself in the true village life. After lunch we then make our way onto Ourigane. On arrival the afternoon is at your leisure. You may wish to take a gentle stroll around our immediate area in the heart of Berber country or you may wish to enjoy the garden sanctuary by the pool.

Day 11 OUIRGANE – AIT BEN HADDOU

Enjoy a delicious locally sourced organic breakfast in the hotel. When we depart Ouirgane we will be crossing the breathtaking High Atlas Mountains. The very famous **Tizi-N-Tichka pass** is the most exciting access to the village of **UNESCO World Heritage site Ait Ben Haddou**. Ait Ben Haddou is surrounded by the spectacular fortress of earthen clay architecture. The village is an iconic landscape immortalized in such films as 'The Man Who Would Be King' (1975), 'Jesus of Nazareth' (1977), 'The Last Temptation of Christ' (1988), 'Gladiator' (2000), 'Son of God' (2014) etc.

On arrival we will find a local restaurant from where we can take in the grand view of the Kasbah itself before enjoying an afternoon walking tour of what still feels very much like a movie set. We will then **head back to our Riad for sundowners and perhaps a G&T by the pool before dinner**. Tonight, you will sleep peacefully within the walls of our own historical and modern featured Kasbah.

After lunch we will continue to **Zagora a true gem along the Draa Valley and Draa river**. Draa River is Morocco's longest river, at 1,100 kilometres. This river flows all the way from the High Atlas Mountains to the Atlantic Ocean. **The Draa Valley is known as 'the date basket of Morocco'** as it is home to many date palms, orchards, and irrigated fields. On the way to Zagora, we'll make a brief stop at **Agdez**, which is a charming little town that boasts a vast palm grove and surprisingly a vast number of ancient but well-preserved Kasbahs.

It was a popular stop along the desert route known as **'The Salt Trail'**. **The camel caravans took 52 days to journey all the way from Zagora to Timbuktu**. Their precious cargo ranging from dates, silver, gold, salt, and slaves. A short distance away is the **famous pottery village of Tamegroute**, situated in The Draa River Valley It historically served as a hub of learning and religion through its famous Sufi zawiya. **We may be able to visit the famous Tamegroute Library**. Catch up in your journal or sort through your mass of photos. In the afternoon, after lunch we change our mode of transport and jump into our 4x4 jeeps to transfer us to **the heart of the Moroccan desert, Erg Chigaga**. As we approach our gorgeous desert camp we change our mode of transport once again, this time to camels, for those who are up for it! **In true Berber style we will arrive at camp as the golden sun sets** for the day. Our destination is **Taroudant, a charming old town known as the 'Grandmother of Marrakech'.**

Taroudant looks like Marrakech but smaller. Unlike Marrakech, almost the entire city of Taroudant is surrounded with ramparts. In the 11th century, Taroudant was occupied by the Almoravid Dynasty. In the 16th century, the Saadian Dynasty used it as the capital of Morocco for a short period of time before they moved onwards to Marrakech. **The city is known today for its beautiful local crafts, including jewellery and carpets.** Enjoy the casual walking tour of Taroudant as we walk off our included local lunch and stretch our legs after our 4x4 jeep experience.

Then we can time our drive north to Essaouira so that we arrive just in time for our hotel check-in. **Essaouira is another hidden gem and full of life and colour.** Situated right on the seaside, the Medina area is within easy walking distance and has a lot to offer and entertain. **Fantastic restaurants, coffee shops and everything Moroccan** if you are still to complete your shopping list. **Awesome Hammams (Spas) to relax and treat yourself and superb vantage points for the spectacular sunsets.** Many rooftop bars are the go-to place each afternoon for a cool G&T or a glass or 2 of splendid Moroccan wine.

The **silver smiths are incredible**, and the jewellery is divine and one little place that we found employs the local disadvantaged young adults.

You'll be able to choose from many great restaurants in the Medina for lunch, whether it be a light snack or a lavish full sit-down meal. You may wish to **do some yoga or ride a camel.** You may wish to **explore the hotel Spa menu.** You may wish to join us for dinner at one of our favourite little spots.

Day 18 **ESSAOUIRA 'FORMERLY KNOWN AS MOGADOR'**

This relatively small, easily navigable Medina is super cute and ideal for free time. The **mellow atmosphere, narrow winding streets lined with colourful shops, whitewashed houses and heavy old wooden doors** make it a wonderful place to stroll and a photographer's dream.

Essaouira has a very mild climate and allures many visitors from Europe each year. The wild Atlantic Ocean adds an extra element of dramatic scenery as the port safely houses the sea of little blue fishing boats. Your **included Lunch today being this close to the sea must be a 'seafood affair'** (there are of course many other options available.) The rest of the **afternoon is at leisure** so therefore you can do as little or as much as you like.

Day 20

ESSAOUIRA – SAFI – OULIDIA – EL JADIDA – CASABLANCA

We start the day with breakfast in the hotel. Today we **return to Casablanca via Safi, Oualidia and El Jadida**. 'A coastal road trip'.

Safi is an attractive Portuguese influenced city with a long history. Safi nowadays is the main fishing port for the country's sardine industry. **Oualidia is a small village on the Atlantic coast**, facing a saltwater lagoon and the beach. **El Jadida, the last of our UNESCO World Heritage sites** on the itinerary. Not as awe inspiring as the other 7 but nevertheless the 8th one that we do see.

Arriving back in Casablanca we will check in to our hotel with **plenty of time to do some self-exploration** of the local area. Tonight, we will head out for our **final night Farewell Dinner** before we sadly go our separate ways tomorrow.
